SUMMARY

Enthusiastic customer-oriented professional with “technical expertise” garnered through a Bachelor’s degree in Information Technology. I have “excellent communication skills” from a career in hospitality.

EXPERIENCE

Pilsener Haus & Biergarten, Hoboken, NJ – 2011 -2022

- Bartender, Trainer.
- Increased clientele 70% through implementation of the “Corner Bar” initiative.
- Developed detailed profit spreadsheet based on world soccer championships.
- Increased morning revenue from \$800 to \$3500 through “Breakfast & Beer” promotion for 2018 World Soccer World Cup in Russia.

Redd’s Biergarten, Newark, NJ - 2015 - 2016

- Bar manager for new restaurant opening.
- Authored guides, manuals for daily restaurant operation.
- Hired, trained employees to increase sell-price of beer products.

Mount Sinai Hospital, New York, NY – Jan 2011 – Jun 2011

- Implemented Electronic Medical Records.
- Increased chart-sharing of patient labs, and reports.
- Improved continuity of care so employees remove focus of billing, subsequently allowing for a higher level of service.

SOFT SKILLS

- Communication regarding vendors.
- Organization of daily restaurant operations.
- Creativity and Innovation for future events.
